Dear colleagues

I'm cordially invite you to this year's hybrid event Best of Lung Cancer at the Hotelfachschule Belvoirpark in Zürich. Once again the practical findings of the international congresses (ASCO, ESMO, ELCC, WCLC and IASLC) in the field of lung cancer will be summarised, discussed and classified for Swiss practice.

Interesting and valuable discussions can be expected.

I'm very much looking forward to welcoming you in person at this event.

With best, collegial greetings
PD Dr. med. Ulf Petrausch
