Update in Genitourinary Cancers

The ASCO Direct GU Highlights Meeting is a full-day educational program containing selected original sessions from the **2019 Genitourinary Cancers Symposium** on urothelial carcinoma, prostate, bladder, renal, penile, urethral, and testicular cancers.

You will have the opportunity to view the original sessions and discuss the clinical relevance and implications for Swiss treatment landscape of study outcomes with your colleagues.

The program is supervised by an independent scientific committee:

- **Joerg Beyer**, Inselspital Bern
- **Martin Spahn**, Hirslanden
- **Aurelius Omlin**, Kantonsspital St. Gallen
- **Dominik Berthold**, Centre Hospitalier Universitaire Vaudois
