Head and Neck Day in Luzern

Tuesday, 11 June 2019

Invitation

Dear Friends and Colleagues,

We are delighted to announce the Inaugural Head & Neck Day taking place on the 11th June 2019 in Luzern, Switzerland. We cordially invite you to beautiful Central Switzerland and join us for this exciting meeting.

Treatment paradigms, new technologies and the expectations of patients and health care systems are changing. We want this meeting to promote and foster exchange, collaborations and knowledge in Head & Neck Oncology mediated by the multidisciplinary approach that has led to the amazing advances in this field.

We are looking forward to an day full of fruitful exchange and interaction. In a multidisciplinary environment we are going to reflect on the various aspects of head and neck oncology through the participation of the specialties involved in head & neck cancer care.

Welcome to Luzern!
